GRADE 4 · SCIENCE

Rainforest Layers

Name _____

Class ____ Date ____

Solve each clue and write the answer in the squares. When the grid is full, the shaded column spells a phrase about today's topic.

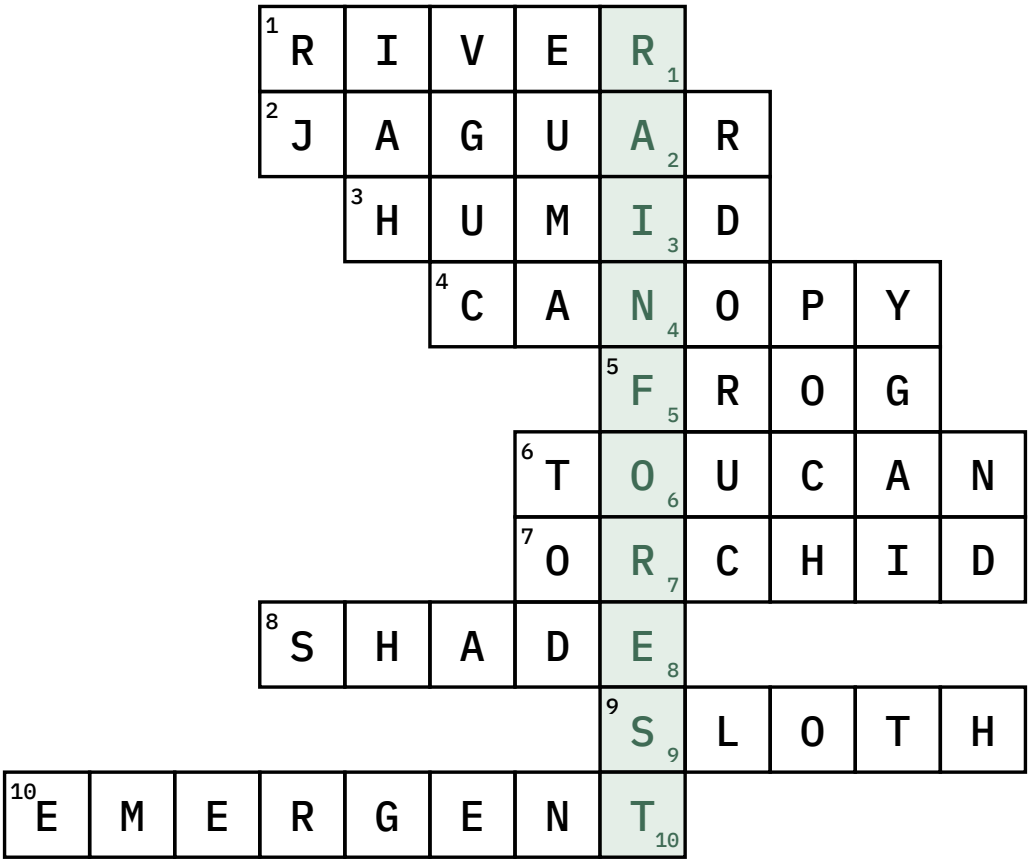

CLUES

1. Water winding between the trees
2. Spotted big cat that hunts at night
3. Warm and damp, like the air in here
4. The thick roof of leaves overhead
5. Small climber, often brightly coloured
6. Bird with a huge bright beak
7. A flower that grows on another plant
8. What the canopy leaves the floor in
9. It hangs upside down and barely moves
10. The tallest trees, standing above the rest
